And God said, Let there be lights in the firmament of the heaven to divide the day from the night; and let them be for signs, and for appointed times, and for days and years. (Gen 1:14)

DEVORAH'S DATE TREE

The most reliable and respected New Moon and Aviv Reports from the Land of Israel

Dear Friends,

The New Moon was sighted from Israel this evening, Thursday, 7 October 2021!

- * From Jerusalem at 6:46pm by Devorah Gordon, followed by Gil Ashendorf.
- * From Tiberias at 6:35pm by Dennis Chkolnik, followed by Maureen Chkolnik.
- * From Haifa at 6:44pm by Ephraim Amnon.

This means that sunset on October 7, 2021 marks the beginning of the new month. Be sure to keep track of what number month this is, based on when you started the new year.

The photo at the top of this report was taken from our observation point in Jerusalem this evening.

On behalf of all of us who rely on these observations, we wish to thank everyone in Israel who looked for the new moon this evening and sent in their observations in a timely manner. We are also extremely grateful to those of you who have stepped up and are supporting our efforts from afar, your support helps us be able to collect the observations and share these reports in a timely fashion.

If you find these reports to be of value, please [support](#) our efforts to restore the

Biblical Calendar. We could really use your support.

Chodesh Tov! Make it a great month!
