DEVORAH'S DATE TREE

The most reliable and respected New Moon and Barley Inspection reports from Israel

Dear Friends,

At the time of this writing, we are not aware of anyone successfully sighting the new moon with their naked eye from Israel this evening, 3 March 2022. And since this evening was the end of the 29th day of the month, that means that unless we send you an update that a positive observation that came in later, tomorrow evening will be the beginning of the new month by default.
